Mandy and Dana were serious hotties, especially if you liked your chicks on the nerdy side, which I most definitely did. They must have pegged me for a real loser....

Hard Drive

Monday mornings are always bad.

I typically show up at work with a debilitating hangover as I spend most weekends getting properly shit-faced. Today was no exception. I had thought about calling in sick but decided against this; last thing I wanted to do was sit at home all day with my unemployed wife.

Jade wasn't the best of company, not after losing her cushy job due to company downsizing. Most days she sat around moping and feeling sorry for herself instead of pounding the pavement in search of employment.

She was definitely depressed. And this was wreaking havoc on our sex life. Jade never felt like fucking anymore. Hell, she didn't feel like doing anything. Well, that's not entirely true. She had gotten really good at vegetating on the couch in her sweatpants, stuffing her face, and watching endless hours of mindless TV.

I didn't particularly like my job, but being at home all weekend with my self-pitying wife was no fun either. This is why I drank so much on Saturday and Sunday; it was the only way I could endure her abysmal company. To Jade's credit, she hadn't started boozing heavily to pass her many idle hours. Her crutch was junk food, lots of junk food. Of course, this had made her pack on the pounds. Jade was on the fast track to becoming a porker. Hell, I didn't even really want to fuck her anymore, not in her current porcine state.

Thankfully, I worked with some super good-looking chicks. Lots of eye candy at the office. I stole glances

whenever possible, storing images in my "spank bank" for retrieval at a later date. I had become an expert at jerking off, which I often did in the men's room after getting an eyeful of one or more of my hot coworkers. Also, I watched a lot of porn in my office.

Nobody knew a thing.

At least that's what I thought when I showed up for work today with a pounding headache. This changed when I entered my office and found my laptop missing. My heart sank. Something was up, I thought with a sense

of dread. No sooner had I dropped into my chair than the phone rang. Mandy from IT had my computer. She wanted to have a word with me. Not over the phone, she said, but a real face-to-face meeting in her office.

"Is something wrong?" I asked her.

"It's about your computer," she said. "I'll tell you all about it when you get here."

"Be right over," I replied, hanging up and sighing heavily.

Mandy must have worked over the weekend, taking my computer to the IT lab while I was out. When I left the office on Friday my PC was work-

ing just fine. Still, she could have found some kind of virus lurking in my hard drive. Maybe this meeting was about that; perhaps she was going to show me ways to avoid future viruses or even issue me a brand-new computer.

I popped a few Ibuprofen, washed them down with a hefty swig of coffee, and hastened to the IT department. Mandy wasn't alone in her office. Dana, her assistant,

was present as well.

"Come in, David," Mandy greeted me matter-of-factly. "And close the door."

Dana, her youthful features unreadable, sat before her boss's desk. I claimed the chair beside hers, crossing then uncrossing my legs.

Mandy didn't mince words. "Your hard drive is filthy."

I shifted uneasily in my chair.

"The worst," Dana added, "we've ever seen."

Shit, I thought.

"And that's saying something," Mandy told me. "We've had some really dirty computers come through here." She shook her head in dismay. "Do you people just watch porn all day?"

I was speechless, not to mention highly embarrassed.

Jade's income had been a big blow to our finances; we could never make it without my paycheck. Not for long, anyway.

"Relax," Dana said. "We don't intend to say a word about this to anybody."

Mandy nodded her assent. "It'll be our little secret. Just the three of us."

"Thanks a million." I breathed a sigh of relief. "For a minute there I thought you two were going to come down hard on me."

"Let's go get your computer." Mandy rose from her chair. "It's in the lab."

"All cleaned up and ready to go," Dana said.

The IT lab was at the end of the hall; it was a sterile workroom filled with spare computer parts. Dana closed

Mandy and Dana were serious hotties, especially if you liked your chicks on the nerdy side, which I most definitely did. They must have pegged me for a real loser, an unhappily married, sex-starved working stiff with a bad porn habit. Hell, they were right! I hadn't fucked Jade in over a month; in that time I had certainly worked long hours and viewed a ton of adult material.

"Look," I finally spoke, "I—um . . . okay, it's like this. My wife and I—well, let's just say we're having problems."

"Going through a rough patch, huh?" Mandy remarked.

"Exactly."

"Sorry to hear that," Dana commented.

Mandy's face softened as she searched mine. "Is there anything we can do to help?"

Her question was a no-brainer. "Yeah," I said, "you can start by not reporting me to Human Resources."

The heartless bastards in HR would've loved to send me packing. In my years with the company I had seen many folks terminated for far less serious infractions. The prospect of getting fired was a grim one. Losing

the door behind us and locked it.

"Let's cut the bullshit," Mandy said, eyeing me hungrily. "We know you want to fuck us . . ."

"Yeah," Dana chimed in, "and we're DTF, too. Finding all that porn on your hard drive gave us all kinds of naughty ideas. We studied it carefully. Now we know exactly what turns you on."

Speechless for the second time that morning, I stood there in utter disbelief. This wasn't happening. This was the stuff of dreams, the stuff of my most far-fetched erotic fantasies. What would happen if I pinched myself? Would I wake up in bed beside my snoring wife? I never got the chance to test my theory. Mandy and Dana made sure of that when they removed every last stitch of their clothes and knelt before me. Mandy took the lead; she unbuckled my belt and unzipped my trousers, freeing my granite-hard cock. Next thing I knew her hand was sliding up and down my shaft; this while Dana licked and lapped my ballbag.

I gasped audibly. My legs turned to rubber. I placed a hand against the wall to steady myself.

Meanwhile, Mandy had devoured me in earnest. Her

moist lips wrapped around my member, she pumped her head to and fro, moaning and groaning around my meat. Dana had my entire sack in her mouth. They keep this up much longer, I reasoned, and I'm going to explode like a stick of dynamite. The thought of popping off so early in our threesome didn't sit well with me. Thankfully, this didn't happen. Mandy and Dana gave their mouths a rest, allowing me to get my bearings. I used the break to take off my clothes and focus on the task before me. I was nothing if not determined to show both of them a good time.

We had two worktables at our disposal. One of these was cluttered with a mess of circuitry, wires, and motherboards. The other table was relatively clean. Naturally, we used this one.

her narrow hips, I reamed her rectum with a series of frenzied jabs.

Her pooper was incredibly tight. I did my damndest to loosen it up. My gaze was torn between Dana's delightful derriere and Mandy's sizable tits. Dana's supervisor had a nice set of knockers. I hoped to come all over them before we were done. Dana lowered a hand between her legs and diddled herself; this coupled with my prick pounding her asshole did the trick. She tensed and shuddered in the throes of a powerful orgasm. I pulled out of her backside, eager to stick my cock in one or more of Mandy's hot holes.

The blonde IT whiz hopped off the table and crouched in front of me. She licked her lips. "Yummy. I can't wait to taste Dana's asshole on your big fat cock . . ."

Mandy lay atop the smooth surface and spread her long legs. Hers was a pretty pussy. I moved to skewer her, but Dana beat me to the spot. I stood there as she bent over and proceeded to eat her supervisor's cunt. Her questing tongue explored Mandy inside and out, licking, lapping, poking, prodding. Mandy writhed and panted, getting hotter and hotter as Dana serviced her clit.

I stroked myself with a deft jerking motion, prepping my pecker good and proper. I intended to wait until Dana finished before joining the fray. She had other ideas. Regarding me over her shoulder, her lips glistening with Mandy's pussy juice, she told me to stick it in her asshole.

I grinned lewdly and did just that . . .

Dana was a petite brunette with itty-bitty titties and a tight little ass. Hers was the compact caboose of an eighteen-year-old cheerleader. Just looking at the thing made my dick throb. I spread her taut cheeks and pressed my glans against her tender starfish. The contact was electric, prompting me to enter her with a swift plunging motion. Dana cried out, her outburst muffled by Mandy's pussy, which she kept on eating as I banged her butt. Holding

"Be my guest," I told her.

Mandy sucked my dick for the second time that morning, savoring the forbidden flavor of her assistant's ass. I grabbed two handfuls of her long blonde hair and thrust my hips, ramming my rod into the back of her throat. She liked having her face fucked, liked it so much that she came before I did. Withdrawing from her mouth, I dumped my load all over those big tits of hers, spattering them with lots of creamy spunk.

Everybody got dressed and returned to work, though not before Mandy returned my computer.

"Take it easy on the porn," she told me with a wry smile. "That stuff rots your brain."

"Yeah," Dana added. "And it's not like you need it. Drop by anytime, David. Mandy and I are always down to fuck."

I finally got around to pinching myself. Mandy and Dana didn't dissolve before my eyes, nor did I wake up in bed beside my snoring wife. The whole episode had been as real as it gets.

And my headache was gone. A doctor would have credited the Ibuprofen, but I knew better!

"After going on a couple dates with Logan, today is the first day we hooked up. From the look of his profile pictures, he seemed pretty nerdy, but being with him was a whole lotta fun. I asked him if he had been with many girls, and he said that those he had been with found his cock too big. Well, after that comment, I'd been anticipating this day for quite some time. In addition to having a big cock, he turned out to be a fucking good fuck, too."

A man with short blonde hair, wearing a brown button-down shirt, stands on the left, looking down at a woman. The woman has long dark hair and is wearing a red long-sleeved mesh top and a red and black plaid skirt. She is looking towards the camera. They are standing next to a red car. In the background, there are houses and a white pickup truck.

"What's taking them so long?" Miss Abercrombie asked me from behind her desk. "Beats me," I told her.

"They should be back by now."

"Want me to go looking for them?"

"Maybe," she said uncertainly. "They're late and I'm ready to go home."

I felt the same way. It had been a long day at the adult driving school where I worked as Miss Abercrombie's assistant. Eric Sullivan, our best driving instructor, had left with a student almost an hour ago. His tutorials typically lasted thirty minutes, plenty of time for him to gauge his student-driver's progress. This wasn't like Eric; he was nothing if not punctual.

"I'll be right back," I told Miss Abercrombie, rising from my desk. "Maybe the car broke down."

Purse slung over my shoulder, I exited the small office and got in my car. I knew Eric's routes like the back of my hand; I had worked as an instructor before transferring to the front office. Combing the familiar streets, I grew more concerned by the minute. My fears dissolved when, nearing a busy intersection, I spotted the white car up ahead. The light was red. I stayed in my lane, pulling up alongside my coworker. Hands on the wheel, he stared straight ahead, failing to look my way even after I honked my horn. What in the world was he doing? Didn't he realize that it was quitting time? And where was his student?

The passenger seat was unoccupied. Eric was driving solo. At least that's what I thought until I took a closer look and saw the top portion of a head bobbing in his lap. It didn't take a genius to decipher the situation. Eric was getting a blowjob! Road head, I thought. His raven-haired student gobbled him like a champ. I couldn't believe it. Eric had always seemed so straightlaced and professional. Now I saw another side of him, a decidedly dirty side which turned me on in a big way. Waiting for the light to turn green, I fantasized that I was the student, visualizing my wet lips wrapped around Eric's hard cock.

It was after five. Miss Abercrombie would be beside herself. Well, too damned bad. She had a key; the old biddy could lock up and go home. As for me—well, I was determined to see how this thing played out with Eric and his slutty, dick-sucking student-driver.

It wasn't long before he turned onto a quiet side street in an industrial area filled with warehouses. He parked on a strip of gravel between a fenced-in salvage yard and an autobody shop. I parked a safe distance away, then closed the gap on foot. By the time I reached the car things had heated up between Eric and his student. Having crept ever so stealthily into position, I viewed the show through a rear side window.

And what a show it was! Her legs spread, the brunette lay on the backseat, clawing Eric's bare back and shoulders as he thrust between her thighs. I had a spectacular view of my coworker's tight buns as he pounded his pupil's pussy. Her face twisted with plea-

sure, she writhed and moaned beneath him, prompting her instructor to bang her even harder.

Of course, the players knew nothing of my presence. And I planned to keep it that way; last thing I wanted was for them to see me, freak out, and call it quits. Nipples stiff, cunt wet, I ducked beneath the window as Eric withdrew and started to switch places with his student. Crouched beside the back door, remaining perfectly still and quiet, I waited until it seemed safe to take another looksee.

My timing couldn't have been better. Eric lay on the backseat as the brunette, facing away from me, rode him none too gently. She slammed her hips down, bouncing and grinding on his pole like a cock-crazed cowgirl. As great as the show was I had yet to get a good look at Eric's cock. Stick around long enough, I thought, and that'll surely change. Turns out I was right. Moments later, the brunette climbed off Eric, knelt on the floorboard, and commenced to finishing him with her hand. My eyes must've doubled in size when I saw his dick. Eric was hung like a moose!

I couldn't control myself any longer. The sundress I had worn to work provided easy access. I raised the hem and shoved a hand down the front of my panties. Diddling myself in a frenzy of excitement, I watched as the brunette's hand slid up and down Eric's mammoth member. Keep that up for very much longer, I reasoned, and he's going to explode like a pipe bomb.

She did.... And he did.

Sighing dreamily, three fingers inside my throbbing cunt, I peered at his peter as it erupted like an angry volcano. His was a big load, the majority of which

ended up all over the brunette's big tits. I felt it wise to get gone while the getting was good. Returning to my car was no easy feat; my orgasm had turned my legs to rubber. Eric and his student had no idea that I had witnessed their naughty car date. I intended to keep the news to myself until the time was right, until I could use it to my advantage. Miss Abercrombie need not know a thing. As manager of the driving school, she ran the institution with an iron fist. Fucking a student inside a company car was a major infraction; no doubt she would fire Eric on the spot.

I couldn't let that happen, couldn't let Eric get canned. No way. Not after seeing him in action. I had big plans for the two of us. Having beaten Eric and his student back to the office, I fed Miss Abercrombie a line of bunk about him getting a flat tire.

"He could've called," she replied irritably.

"I guess he was busy changing the tire," I told her. "Anyway, all's well that ends well."

She frowned at Eric when he walked in the door but didn't say a word.

It was lunchtime the following day when I put my plan into action. Eric always volunteered to fetch the

I SAW HIS BALLS IN MY MIND'S EYE, SAW THEM SWAYING TO AND FRO AS HE POUNDED MY PUSSY MERCILESSLY.

food. I offered to tag along, citing a need to get away from my desk for a while. He drove us in the white, four-door sedan. We were a quarter mile from the sandwich shop when I spilled the beans, telling him that I had watched every minute of his rendezvous.

His face lost its color. "Please don't tell Miss Abercrombie. I could get fired—"

"Relax, Eric," I cut him off. "I don't give a damn if you break the rules, just so long as you break them with me . . ."

Hands on the wheel, Eric took his eyes off the road long enough to search my face. I smiled coyly.

"Are you saying what I think you're saying?" he asked me, his eyes back on the road.

"That depends, Eric. What do you think?"

"That you want to fuck me," he stated bluntly.

"You catch on fast," I told him.

"What about lunch? Miss Abercrombie is expecting her sandwich . . ."

"We'll make it a quickie."

Yesterday's location beside the autobody place would be teeming with people, so we opted for an alley behind a condemned strip mall. The area was so secluded that we didn't even have to remain inside the car. Nobody would be coming back here . . .

Eric had me stand in front of the car and bend over the hood. I had worn a short accordion skirt for the occasion. He lifted it above my ass, pushed my panties aside, and skewered me with that big dick of his.

I grunted as he filled every inch of my cunt. Clinging to the hood, I began to pant as he fucked me harder. Our bodies clapped loudly. Peering at the windshield, I imagined what we must've looked like back there in that trash-strewn alley. I saw his balls in my mind's eye, saw them swaying to and fro as he pounded my pussy mercilessly.

Being pressed for time, we had to finish up sooner than we would have liked. Still, I had no complaints. And Eric didn't either, especially after he withdrew and I finished him with my mouth. Kneeling before him, my lips encircling his turgid tool, my hand fondling his ballbag, I made him pop like a champagne cork.

"That," I said as we arrived at the sandwich shop, "was fantastic."

"You weren't so bad yourself," Eric replied.

I told the young lady at the drive-thru that I wanted extra special sauce on my burger.

"You're a beast," Eric said.

"I just can't get enough."

It was a good day for all at the adult driving school. Miss Abercrombie got her lunch in a timely manner. Eric got some pussy and a sloppy BJ. As for me—well, I got fucked and a face full of hot cum.

You could call us one big happy family!
